

PENINSULA TOWNSHIP  
DRAFT FOR SECTION 4.2.1 ENFORCEMENT

Violations and Penalties. Any person, firm, association, corporation, company, or other entity which fails to comply with any Peninsula Township Ordinances, Michigan law, or any regulatory measures or conditions imposed by the Planning Commission, Zoning Board of Appeal, or Township Board shall be found in violation. If such violation has not abated, ceased to exist or otherwise been remedied **within seven days after written notice of the violation has been sent**, the violator will be deemed to be responsible for a municipal civil infraction as defined by Michigan statute. This infraction shall be punishable by a civil fine in an amount to be determined for each violation. The amount will be determined by the Township violation fee schedule, or in an amount determined by the Court, along with all expenses (direct and indirect) incurred by the Township. Each day that a violation continues to exist shall constitute a separate violation of this Ordinance.

A violator of this Ordinance shall also be subject to such additional sanctions and judicial orders as authorized under Michigan law. Provisions of this Ordinance may also be enforced by suit for injunctive relief.
