

**Peninsula Township Planning Commission
Master Plan Implementation Working Committee Meeting Notes
February 8, 2018**

Meeting called to order at 1:05 p.m.

Present: Peters (Chair), Shipman, Elliott; also present: VanDenBrand, Planning; Hayward, Planning; Christina Dereen, Zoning; Nancy Heller.

Peters opened with discussion on a plan for an annual summary of 2017 Master Plan Implementation Working Committee activities to provide to the Planning Commission.

During her review process, Peters reviewed the minutes from 2017 and summarized three main areas of Committee work during the last year as: Roads Inventory, FLU Map and Neighborhoods descriptions (for those neighborhoods that were in existence prior to zoning).

The Committee agreed to pursue completion of the FLU map and neighborhoods descriptions to provide to the Planning Commission.

VanDenBrand suggested incorporating a half page summary of the 2017 Master Plan Implementation Working Committee activities as part of his full Planning Commission Annual Report.

The Committee discussed future activities including returning to the discussion on the roads inventory and on wineries, the agricultural industry and commercial agricultural activities.

Meeting adjourned at 1:55 p.m.

Respectfully submitted by Susie Shipman
