1. Public hearing on proposed Jolly Pumpkin 5K Run to occur on May 19, 2019

Manigold; Closed regular scheduled meeting and opens public hearing for the Jolly Pumpkin 5K race.

Deeren; Presented Large Event Permit No. 2019-01 for 2019, this is a new marathon event to take place on May 19th, proposed to go up Hedden, Devils Dive, Seven Hills and then down Bower's Harbor Road to finish at the Jolly Pumpkin, corrections to website were made with issues involving the use of a tent and outdoor beverages concerned that the facility would not hold the proposed thousand individuals – parking issues with parking on site. ZBA had put a conditional use permit in place on the Jolly Pumpkin building and the restrictions that were placed on this structure. Pre-meeting to public hearing was held with staff and applicant.

Sanger: Briefly reviews history of property as he was chair of ZBA at the time the historical conditional restrictions were placed on the property. Property is zoned Residential, history has been a Commercial use of property in a residentially zoned district. Historical easement recognizing the historical value of the site expressed concerns that holding this event at this site would violate this historical conditional use permit. Reads the conditions placed on this property per the ZBA decision of 2008.

Alan Whitehead, Kona Running Company, Met with the owners of Jolly Pumpkin down in Detroit it was recommended to hold a race on the Peninsula. This should be smaller than originally anticipated. Suggested starting out runners at different times spacing out the finishers. Each participant will receive a bid which is good for one free drink at the Jolly Pumpkin and would be willing to bus race participants up from the High School. This is only a 5K run and they are willing to make a donation to the Peninsula. Willing to have everything contained inside with no outdoor tents, beverages or food.

Board discussion – expressed concerns with road closures and route of the race and the date and time of the proposed race. Suggested to use Bowers Harbor Park or the Lighthouse trails or other alternative places for this race to be held away from residential areas.
