Subject: 81 on East Bay -Road Names

Rob,

On 3/14/2018 the applicant applied to County Equalization for a request to change the road names within the 81 on East Bay PUD.

Main road: **Double Eagle Drive**
Cul de sac for Lots 6-10 : **Snug Harbour Ct.**

Upon following up with County Equalization regarding the status of the request, we were told that they are waiting on the Township to approve the proposed road names.

It is our understanding that our request to change the road names within the PUD requires Board approval. If this is true, please place the issue on the agenda for consideration at the 4/24/2018 Board meeting.

Thank you,

Petra Kuehnis, RLA
