## **A. Review and Recommendation on Candidates for the Senior Planning Position**

Manigold asked members of the Board to indicate how they ranked the applicants for the planning positions. Each Board member present provided their preferred candidates based on what they perceived were the requirements for the positions. The candidates had been assigned numbers and all information relating to their names removed so that a blind review took place. The top vote getters were: 2, 7 & 8, with a second tier of candidates being 3, 6.

Westphal was instructed to notify the 5 successful candidates of their selection for Round 2 of the application process involving interviews with the Board within the next 2 weeks. The meeting was adjourned following the tabulation of the vote.
