PENINSULA TOWNSHIP CONFERENCE ROOM

AGENDA**

A meeting of the Peninsula Township Cemetery Committee composed of residents and staff will meet on Thursday, October 11, 2018, at 3 pm.

The Committee will review the cemetery software offered by BS&A via a webinar. A question and answer session will take place during and following the webinar with BS&A representative Keegan Nixon. The committee will review what they have learned about three of the most popular software platforms available to municipalities in organizing cemetery data: Pontem; Cemsites; and BS&A. It is expected that a discussion of the software, along with features, will be a part of the discussion, and a recommendation to the Board on purchasing the software will follow.
