

**Peninsula Township Planning Commission
Master Plan Implementation Working Committee Meeting Notes
December 5, 2017**

Meeting called to order at 9:30 a.m.

Present: Peters (Chair), Shipman, Elliott; also present: Hayward, Planning; Nancy Heller, Curt Peterson.

The committee continued discussion regarding the Future Land Use map and neighborhoods description drafted by Peters, including suggestions for final edits of neighborhood description language. It was agreed to revisit these items in 2018 due to staff constraints.

Elliott continued discussion of the need to hold a future workshop with legal counsel, planning staff and planning commission members, for the purposes of ensuring Master Plan language and the Zoning Ordinance language is effective from a legal perspective.

Committee discussed development of an annual summary of committee discussions and accomplishments to provide to the full planning commission.

Meeting adjourned at 10:50 a.m.

Respectfully submitted by Susie Shipman
