Also present: N. Heller, B. VanDenBrand, G. Hayward

Meeting called to order: 4:05pm

Reviewed memo from Hayward dated 11/27/17.

Discussed using SUP or a Special Procedures to address filling in floodplains. Reviewed Section 8.02 in draft Zoning Ordinance to address memo from ZBA for standards to filling in a floodplain. Decided a quick fix would be preferable and that would entail amending Section 7.4.7 in current Zoning Ordinance.

VanDenBrand prepared list covering changes in Section 7.4.7 and where language would remain the same. Draft will be prepared for next meeting and wordsmithing can occur at that time.

Next meeting 12/4/17 at 4pm.

Meeting adjourned 5:35pm
