September 12, 2018

Re: New Polling Location for Precinct #2 for the November 6, 2018 election

I am announcing the move of **Precinct #2 polling location** from the south Fire Station to a new location. This **new location is the First Congregational Church, 6105 Center Road, Traverse City, MI 49686**. The music room of the church will serve as the polling place; it is located on the far south end of the church when facing the main entrance of the church from the parking lot. Directional signs will be placed on church grounds to direct voters to the polling place. All other aspects of the election will remain the same—voting hours will be from 7am to 8 pm. Voters are reminded that they need to bring a photo identification card, like their driver's license, in order to vote. New voter registration cards will be issued to residents in Precinct #2 over the next few weeks.

The south Fire Station will now be used to house fire fighters in the old polling room location on a 24 hour basis as soon as the building meets code requirements.
