

**December 12, 2017 Township Board Packet
10-16-17 The 81 on East Bay Application
including the 10-23-17 revisions**

The 81 on East Bay's October 16, 2017 application including the October 23, 2017 revisions is too large to convert to a PDF. If you would like to view it, please contact Brian VanDenBrand or Gordon Hayward at planner@peninsulatownship.com or 231-223-7314 to set up an appointment to review the application.

Note to Township Board Members: This is the same application you received with your October 25, 2017 packet.
