Re: The 81 Development

Dear Tim,

Following our discussions last week, I have updated the 81's proposed findings of fact (enclosed) to include two standards (8.3.3(7) and 7.2.5) that you brought to my attention.

Also, I am enclosing seven additional exhibits for the 81's hearing submission, including the following:

49. Fire Chief James Dundas' Review dated 10/20/17 regarding 81 Development SUP/PUD Emergency Access Road"
50. Letter from James Harless (SME) to Timothy Wilhelm dated 10/13/17 regarding "Environmental Assessment Findings – The 81 on East Bay"
51. Letter from James Harless (SME) to Timothy Wilhelm dated 10/20/17 regarding revised "Environmental Assessment Findings – The 81 on East Bay"
52. Soil Erosion and Sedimentation Control Permit issued for the Vineyard Ridge development dated 8/16/17
53. Letter from Brian Etzel to Timothy Wilhelm dated 10/20/17 regarding discussion of 81 grading plans and SESC permit (enclosing letter and attachments from Doug Mansfield dated 10/20/17)

54. Letter from Doug Mansfield to Brian Etzel dated 10/20/17 regarding discussion of 81 grading plans and SESC permit
55. Groundwater Discharge Permit issued to The 81 Development Co., LLC, effective 8/1/17 (and expiration of 8/1/20)

I believe the Township already has all of these exhibits in its possession, but want to make sure these are included among the applicant's submissions.

Please let me know if you have any questions regarding the enclosed items or any other matters as we approach Wednesday's hearing.

Very truly yours,

THE MILLER LAW FIRM, P.C.
