APPLICANT: \_\_\_\_\_ ENGINEER: \_\_\_\_\_

CHECK \_\_\_\_\_ DATE \_\_\_\_\_

PROPOSED ROAD NAME \_\_\_\_\_

APPLICATION REQUIREMENTS:

The following are required with the application for a preliminary frontage road permit.

- 2 Copies of complete construction plans
- 1 Copy of drainage plan
- 1 Copy of proposed easement
- 1 Copy of proposed road maintenance agreement
- 1 Copy of hold harmless agreement

Road Commission/MDOT Permit

Approval of the drainage plan by Drain Commissioner's Office

Permit fee as determined by the Township Board.

REVIEW REQUIREMENTS

The Zoning Administrator shall issue a preliminary road frontage permit prior to the commencement of any construction work on the road. Such permit shall only be issued after the initial plans, specifications, easement language, joint maintenance agreement, and hold harmless agreement have all been approved, and appropriate reviews and permits have been received from the agencies to whom copies were submitted in accordance with the above.
