Re: Zoning Board of Appeals Position

To Whom it May Concern:

My name is Ashley Wahl and I am writing to express my interest in a position on the Zoning Board of Appeals. As someone who has called Old Mission Peninsula home for almost 33 years, I have wanted to give back to this community and feel that this would be the ideal opportunity.

I grew up on Old Mission Peninsula and attended Old Mission Peninsula School, East Middle School, and Central High School. I completed my undergraduate degree at Michigan State University and earned my Juris Doctor at Cooley Law School. After graduating law school, I moved back to Traverse City and built a house on Old Mission with my now husband, Warren Wahl. While I wanted to get involved with the Peninsula Township and ZBA sooner, I had commitments with the BrickWays Foundation's corporate management board and executive committee. So, I encouraged Warren to get involved.

I am confident that I would be an asset on the ZBA. I am currently a litigation attorney at Dingeman and Dancer, PLC – a competitive, fast-paced firm. I have researched and briefed complex legal issues and have argued in front of courts throughout Michigan, including the Michigan Court of Appeals and Supreme Court. I am therefore proficient in analyzing statutes, regulations, ordinances, and policies. I believe I can bring these skills to the ZBA while evaluating cases.

I am eager to meet with a ZBA member to discuss this position further. I have attached my resume for your review. Thank you in advance for your time and earnest consideration.

Very truly yours,

Ashley Wahl

Subject: ZBA alternate

Becky, I would like to apply for ZBA alternate.

I was on the Planning Commission for 12 years and served as the PC representative to the ZBA three different times. I am familiar with the Zoning Ordinance.

I know how important it is to have a majority of a board and not have to postpone meetings or votes.

Thank you for your consideration. Laura Serocki
