RE: Request No. 883 from Monte R. & Nancy L. Tuffs located at 7447 Cloudberry Ln. N.E. for a variance request to construct a storage setback. Parcel#28-11-560-020-00

To Whom it May Concern,

Upon reviewing the above Article, I would like to express my view on the above plan request. Haggard's Plumbing & Heating is not opposed to the changes of the property and/or the request to the Zoning Board. If a property owner is fortunate enough to have the ability and the resources in this time to either build and/or improve their existing property, it would only help the economy continue to grow. It would prove positive for the local, county and state to do all we can to improve and promote growth in any ways possible.

Sincerely,

JOHN HAGGARD

RE: Public Hearing on Request #884, Zoned R-1B
Parcel Code #28-11-560-042-00

To Whom It May Concern:

Please accept these written comments regarding the setback variances requested by Mr. Robert Zientek.

I own the adjacent property and share the southern border of parcel #28-11-560-042-00. As Mr. Zeintek's "next door neighbor," I have no objection to his request for variances in the setbacks as described in the public notice (copy attached).
