Regulations specific to Bowers Harbor Park

All request for special events with attendance over 50 persons require completion and submission of the Peninsula Township Special Event Application. The decision of the Parks Committee is final. Please be mindful of the timeframe necessary; Parks Committee meetings are held once a month.

The Peninsula Township Parks Committee shall have the authority to impose additional regulations if it deems necessary to maintain the health, safety and welfare of those persons using the park facilities, as well as for the protection of the parks themselves.

To avoid conflict between events, no more than one Special Event per day will be permitted.

Events must end by 9:00 p.m. and the property must be restored to its original condition.

Parking is limited and all members and guests of the event must park in designated areas.

Bathroom Facilities include two DNR outside restroom facilities.

As all township parks are open to the public and quite busy during the summer months, it is rather likely that park visitors will be in the background of your event.

Pavilions can be reserved by completing a pavilion reservation request form and submitting the appropriate fee. Electricity and a grill are provided at each pavilion and available for event use. Contact the township offices for available dates.

Alterations to the buildings or grounds are not allowed.

Damages to Peninsula Township property are the responsibility of the applicant(s).

Liability: Peninsula Township is not responsible for accident, injury, loss of personal items or property damage during approved events. All special event applicants must carry liability insurance and provide Peninsula Township with a Certificate of Insurance.
