Re: Coronavirus

March 16<sup>th</sup>, 2020

All,

Effectively immediately, the Peninsula Township Fire Department will be closing our doors to the public except in the event of an emergency. The department will still be responding to all calls for help. We are asking the public that if they need to do business with the fire department, they do it by phone if at all possible. With the increasing risk of the Covid-19 virus, the department is taking many precautionary steps to ensure the safety of both our firefighters and the general public. One of these steps is social distancing which limits our exposures to others. Please be assured that we are still here for you and will respond to all calls for emergencies. Please make sure you are giving 911 dispatchers all pertinent information so we can not only protect ourselves but also protect you. The fire department will continue to disperse information about the Corona situation through the township web page and our Facebook page. Please be patient as we all work to get through this and follow good personal hygiene to protect yourself and those around you. If you have any questions, please call us at 231-223-4443.

Respectfully,

Fire Chief Fred Gilstorff

231-463-0330
