Pursuant to Section 110b of Public Act 77 of 1989, as amended (MCL 41.110b), the Township hereby creates and establishes a Group Health Insurance Plan for its officers and employees (and his/her dependent family members) and, for such purposes, also hereby authorizes the Township Supervisor and Township Clerk to contract, in the name of the Township Board, with any company authorized to transact such business within the state of Michigan for such group insurance policies.

Section III:

The Group Insurance Plan created, established and contracted for under this Ordinance may cover each person (and his/her dependent family members) as defined within the personnel policy:

To qualify for such insurance coverage, the employee must complete 90 days of employment.

Section IV:

The Township shall annually contribute such portion of the premium or charges arising under such insurance contract for each officer and employee as defined in the Township's personnel policy. Such Township contribution, if any, shall be secured from the general fund of the Township. Each person shall be responsible for the remainder of the premium or charges, if any, not paid for by the Township, and the Township Treasurer is hereby authorized to deduct the same from such person's pay, salary or compensation to apply to such person's responsibility. Any person required by Ordinance to make contributions to the coverage who desires not to be so covered shall give written notice to the Township Clerk that he/she desires not to be insured or covered, and if the notice is received before the person has become insured or covered under the contract, he/she shall not be covered under the contract. If the notice is received after the individual has become insured or covered, his/her coverage under the contract shall cease as provided for in the contract.

Section V:

Township employees and elected officers not covered may also participate in the Township Insurance Plan provided that they pay all of the premiums or charges arising under such insurance contract and, provided further, that they meet all of the eligibility requirements of the insurance provider.
