- B. Any person or entity aggrieved by the decision of the assessor or zoning administrator may, within 30 days of said decision, appeal the decision to the Peninsula Township Board which shall consider and resolve such appeal by a majority vote of the Township Board at its next regular meeting or session affording sufficient time for a 20 day written notice to the applicant (and appellant where other than the applicant) of the time and date of said meeting and appellate hearing.

The permissible depth of a parcel created by a land division shall be measured within the boundaries of each parcel from the abutting road right-of-way to the most remote boundary line point of the parcel from the point of commencement of the measurement.

The permissible minimum width shall be as defined in the Peninsula Township Zoning Ordinance.

Any such parcel shall also be designated as "not buildable" in Peninsula Township records, and shall not thereafter be the subject of a request to the Zoning Board of Appeals for variance relief from the applicable lot and/or area requirements, and shall not be developed with any building or above ground structure other than a deck meeting the requirements of the Peninsula Township Zoning Ordinance.
- B. Where, in circumstances not covered by paragraph A. above, the Zoning Board of Appeals has, previous to this Ordinance, granted a variance from the lot, yard, ratio, frontage and/or area requirements with which the parcel failed to comply.
